

Dove Bank Primary School

Weekly Bulletin - 11.11.22

Nursery Places

Did you know that we provide childcare from the age of 2?

We currently have space in the Nursery for all age groups, and would love to be able to offer these places to our current families.

We have places for government funded children, as well as paid places. We currently have space in all sessions, and we can accommodate a range of different days across the week to meet your family's needs.

If you would like to arrange to have a tour of our incredible Nursery, please let us know and we will arrange at a time to suit you.

If you have a pre-school age child, **did you know that you can use your 30 hours funding across 2 different settings?** This means that your child would be able to join the Nursery in their pre-school year to help them to prepare for Dove Bank life.

We have a FANTASTIC Nursery setting, that we are truly proud of. You don't have to take my word for it though - come and see for yourself!

Football Strip

We are currently looking for a business to sponsor our School Sports' Strip. This will enable some advertising for a local business, and provide the school with the means to ensure our teams attend competitions with a sense of pride!

If you, or someone you know, is interested in supporting us, please email Miss Amison who would love to discuss this further.

The National Sleep Helpline

Along with the bulletin this week, I have also sent out a parent flyer from The Sleep Charity. They run a Sleep Helpline which is a wonderful, free resource that can help parents and children to learn more about their sleep and develop better bedtime routines. Sleep is essential to brain function, by helping children to sleep better, we can help them to succeed in school.

At any given time up to 40% of adults and 50% of children have difficulties with their sleep. Yet in a recent survey, almost 60% of adults felt there was a lack of support for sleep issues. Sleep problems can leave people feeling isolated and lonely.

Please see the attached poster, or click [HERE](#) to find out more.

Bag2School

We have a Bg2School collection on:

Thursday 17th November

This has been organised by the PTFA and will help to raise funds for school to support pupils in school. Please bring bags of good quality items for re-use including: clothing, paired shoes, handbags, belts and accessories. There is no limit on how much you can donate - it's an ideal time to make some space in those wardrobes ready for Christmas. And, your pre-loved items might be on the Christmas list of somebody else.

Please bring bags to the school office any time before Thursday and we will ensure they are passed on.

Thank you in advance for your support.

UPCOMING EVENTS

Family and Individual Photographs

Our photographer will be in on Monday to take family and individual photographs. Siblings of children in school are invited to come into school in the morning to have their photograph taken - parents must accompany.

These photographs are due to commence at 8:30. Please come straight to the school office where you will be able to wait until it's your children's photograph.

If all your children are in school, the sibling photograph will be taken during the school day, so there is no need to attend in the morning.
