World Book Day 2023

World Book Day 2023 was a HUGE success! The effort that the children went to was incredible, and it was lovely to see how much they love reading, independently and with a partner, being read to and talking about their favourite books and authors. The day started with a cat walk in the hall to show costumes off to each other and continued with a book treasure hunt, a shared read with another class and a range of other book-based activities! We are already busy planning our outfits for next year.

Mother's Day Events

On Friday 10th March, the children will be able to attend school in their own clothes in exchange for a gift to be added to our Mother's Day stall. The PTA are excited to be able to give the children this opportunity once again this year as it has been well received in the past! The Mother's Day stall will take place on Wednesday 15th March. Children will be able to bring in £2 - £5 to purchase a gift for their mum or another significant family member.

We are inviting the parents of children in Doves, Nursery, Reception and Key Stage 1 into school on Friday 17th March at 2:15pm for a special Mother's Day assembly. We would love to see you there.

PTA

The PTA are in desperate need for member of our school community to join. They are doing an incredible job of organising fund raising events in school, but are working with very few parent helpers. If you could spare some time to support, I know they would be incredibly grateful! Feel free to email me, headteacher@dovebank.staffs.sch.uk, and I will point you in the right direction.
