## Weekly Bulletin - 26.05.2023

### Happy Half Term

As we come to the end of another half term, it is always nice to reflect. We have had another busy term which has been full of kindness, aspiration and resilience. The children have had the opportunity to take their learning outside of the classroom including a trip to Chester Zoo for our Key Stage 2 children and a trip to the library for our Nursery children. As well as this, they have been exploring the school grounds more in order to extend their learning.

This week we welcomed Jane Baker from the Foodbank into school, and the children learnt all about how the foodbank works, including how people come to need the support that they offer. The children enjoyed these sessions and were able to ask lots of great questions. During the first week back, some of our kindness ambassadors are going to be helping Jane and the team at the foodbank to sort and organise the food donations.

I hope that you all have a happy, restful and sunny half term and enjoy some extra family time. Mrs Dakin
