Weekly Bulletin - 12.01.2023

TT Rock Stars Day

Just a reminder that we will be holding our first TT Rock Stars day on Wednesday 17th January. Children are invited to come in dressed as a Rock Star! This is to relaunch the use of TT Rock stars with the children.

Multiplication facts underpin many mathematical concepts, and we must support children to become as fluent with these facts as possible.

During the day, the children will have the opportunity to join in times tables battles and work with other classes.

After School Clubs

This week we have sent out the forms for after school clubs for Reception to Year 6. Use the links below to access the forms:

For Rec and KS1, [click HERE](#)

For KS2, [click HERE](#)

These forms will be closed on Monday morning at 9:30am. Once you have filled out the form, you can assume that your child has a place, so you will not get any additional communication. Collection from after school clubs will be from the KS1 and KS2 exits.

Please note: The Year 6 SATs booster group has been moved to a Thursday due to pupil preference.

Thursday 18th January
