

Dove Bank Primary School

Single Equalities Policy

Overview:

This policy reflects the Single Equality Act 2010 which harmonises and replaces previous legislation including the Race Relations Act 1976, Disability Discrimination Act 1995, Gender Recognition Act 2004 and Sex Discrimination Act 1975. This policy therefore supersedes all previous school policies on Disability, Ethnicity (i.e. Race) and Gender.

The Single Equality Act combines the existing three duties into one new Equality Duty that covers all seven of the equality strands: age, disability, gender, gender-identity, race, religion or belief and sexual orientation.

This policy outlines the commitment of the staff, pupils and governors of Dove Bank Primary School to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth.

At Dove Bank Primary School, equality is a key principle for treating all people fairly and creating a society in which everyone has the opportunity to fulfil their potential - irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination.

At Dove Bank Primary School we aim to:

- Promote and develop a learning environment where children are relaxed, happy, secure and eager to learn and where each individual is respected and valued.
- Ensure every individual is given the opportunity to develop to their full potential within a positive whole school culture that is determined and committed to raising standards.
- Develop basic skills for life through a broad balanced and highly engaging creative curriculum which promotes a healthy and active lifestyle.
- Encourage children to become well-motivated, independent and self-disciplined individuals who are willing to make a positive contribution to all aspects of school life.
- Seek opportunities to work in partnership with our parents, carers and appropriate members of our community to help us achieve our goals.

School in Context:

There are currently 93 boys and 83 girls on roll in our school. 97% of our pupils speak English as a first language. 97 % of our pupils are white British. 16% of pupils have identified SEND and 33% are eligible for Pupil Premium.

All staff and Governors are White British – no members have a disability

Our school is physical accessible to the majority, but not all of the school building is accessible – the school has a disabled ramp. Currently we have no looked after children in our school.

Ethos and Atmosphere:

- At Dove Bank Primary School, the leadership of the school community will demonstrate mutual respect between all members of the school community
- There is an *openness* of atmosphere which welcomes everyone to the school
- All within the school community will challenge any type of discriminatory and/or bullying behaviour, e.g. through unwanted attentions (verbal or physical) and unwelcome or offensive remarks or suggestions
- All pupils are encouraged to greet visitors to the school with friendliness and respect
- The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored
- Provision is made to cater for the spiritual needs of all the children through planning of assemblies, classroom based and externally based activities

Monitoring and Review:

Dove Bank Primary is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where data suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying
- Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Dove Bank Primary is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population. The person responsible for the monitoring and evaluation of this policy and action plan is the Headteacher.

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

We undertake responsibility for making contributions to extended learning opportunities and are aware of the school's commitment to equality of opportunity (e.g. sports helpers, coach drivers) by providing them with written guidelines drawn from this policy.

We try to ensure that all such non staff members who have contact with children adhere to these guidelines.

- We recognise that perpetrators may also be victims and require support.
- Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community
- Emphasis is placed on the value that diversity brings to the school community rather than the challenges.

Staffing and Staff Development

We recognise the need for positive role models and distribution of responsibility among staff.

- This must include pupils' access to a balance of male and female staff at all key stages where possible
- We encourage the career development and aspirations of all school staff
- It is our policy to provide staff with training and development, which will increase awareness of the needs of different groups of pupils

Note:

Under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role. However this would not apply for all staff in School.

In addition, there are also instances in which a job will qualify for a genuine occupational requirement on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

Appendix 1 - for information

Race

The term race includes colour, ethnic origin, nationality, national origin and citizenship as well as race.

Reporting racist incidents in schools

Schools in Lancashire are required to have in place a procedure for dealing with and reporting racist incidents, which includes providing an annual summary of racist incidents to Lancashire County Council.

Disability

What is a disability?

- Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be:
 - substantial (more than minor or trivial)
 - adverse
 - long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected).

There is no need for a person to have a specific, medically-diagnosed cause for their impairment - what matters is the effect of the impairment, not the cause.

Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can result in a person being *disabled* (e.g. diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, facial disfigurement).

GENDER

The term gender includes boys, girls, men and women, and transgender/transsexual people. Sexual orientation is a distinct protected characteristic. (The term transgender refers to a range of people who do not feel comfortable with their birth gender).

What is the difference between sex and gender?

- Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.
- Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

Sexual Orientation

Heterosexism is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or should be

heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as **homophobia**, although **lesophobia** and **biphobia** are also coming into use.

Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment.

Sexual orientation is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

Transgenderism and gender re-assignment

Transgender is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender re-assignment is the process a transgender person goes through to change sex.
