

Dove Bank's Unsung Hero

Tillie-May Brooks Year 5

Tillie-Mae has been giving up her free time to help the community, Dove Bank School are all very proud of Tillie-Mae's achievements and want to let everyone know what a super star Tillie-Mae has been.

Tillie-Mae has received an Unsung Heroes award from our local MP Jonathan Gullis who presented Tillie-Mae with a certificate and a gift of £50 alongside recognition for her achievement and a special letter of thanks from Kidsgrove Town Mayor Angela Cooper who contacted Tillie-Mae's family to ask if she could meet Tillie-Mae in person to make the presentation.

Tillie-Mae has been volunteering with her nana since January until June at the Salvation Army making lunch packs which are then delivered to vulnerable families in Kidsgrove. Tillie-Mae helped every Monday after school making lunch packs, also helping to deliver these whilst on half term break. Tillie-Mae's family are all very proud of her massive efforts and tell us that Tillie-Mae was so inspired whilst volunteering that she decided to make a donation from her pocket money to Young Minds charity. Mum says that Tillie-Mae could not have achieved this without the support of her teachers who have helped to build Tillie-Mae's confidence and belief that she can achieve anything.

Tillie-Mae set herself a goal of 1000 lunch packs and has now packed 1003! Tillie says "I am really proud that I carried on when I felt like stopping. I received support that made me feel I had the courage to reach my target of 1000 lunch packs". The news of Tillie-Mae's achievements even spread to Spiderman who made an appearance at Tillie-Mae's house delivering her a special hamper.

Tillie-Mae's special interest is animal rescue and welfare.

All the staff, governors and pupils are immensely proud of Tillie-Mae, she is an inspiration to all of us. You are a Super Star Tillie-Mae!!
