Welcome Back! Thank you to all parents/carers supporting school by making sure they are in their own space in and around school and by wearing masks if possible to help keep you and us safe!

Please do not arrive on the school premises too early! Children should arrive no earlier than 8.45. The school day starts at 8.50 and finishes at 3.15.

Doors will close in a morning at 8.55, if your child is late you will need to use the school office to enter.

The children look beautiful in their school uniforms. Please label all items including PE kit, a lot of time is spent looking for misplaced items! We already have several items of PE kit which have been found with no name. We do try our best to reunite items with their owner!

If your child has been invited to a recovery curriculum club please encourage them to attend, as this will greatly benefit their learning.

Please do not approach teachers on the playground – where possible email the school office or telephone with your query or message if this is non-learning related. Learning related enquiries can be emailed to teachers who will respond when they are able, not usually during the school day when they will be teaching! Your support with this is much appreciated.

To help keep the school a safe environment please do not visit the school office if possible. We are available by email office@dovebank.staffs.sch.uk or telephone 898015 to report absences, Covid queries, advice & integrated care (EYS).

Breakfast club is prebookable before noon on Fridays via school website - parents tab.
